"SHAPING KIDS FOR THE FUTURE..."

... is our goal! We have strived to achieve this goal through the programs we offer; Gymnastics, Dance, Cheerleading, Sports Performance, Fun Fitness Activities & More. These physical activities are a great way to challenge the body and mind. The children learn the importance of responsibility, good health & behavior, exercise and how to move their bodies in fun and exciting different ways. Programs are taught in a clean, safe, caring, fun and inviting environment. Our 25,000+ square foot facility has three different gyms filled with junior and Olympic regulation equipment, bars, beams, vault tables, spring floor, 40 ft. long tumble track & inflatable air track bouncer, three trampolines, two foam training pits and a lot of fun training shaped mats. Our employees are First Aid, CPR and USA Gymnastics Safety Certified. The instructors have much experience working with children in the areas of gymnastics, cheer, dance and more. We at Farmington Valley Gymnastics & More, LLC are extremely energetic, excited and dedicated to work hard at helping to develop RESPONSIBLE, HEALTHY, HAPPY KIDS FOR TODAY AND TOMORROW!
