PLEASE NOTE:

States- MUST QUALIFY IN PREVIOUS MEETS WITH AN ALL-AROUND SCORE OF 31.00 OR HIGHER. Gymnasts that qualify are expected to represent their team and compete in the state competition. Please include the states fee in your total; we will assume all gymnasts will qualify for states. If they do not qualify for states then we can apply a credit towards monthly tuition at that time.

Days & Times- Are to be announced, most gyms will be hosting multiple meets, not sure which meet we will be in. We will let you know as soon as we find out, which may be short notice; please plan accordingly.

We encourage gymnasts to compete in all of the meets, however we understand this may be difficult for some, therefore we require that the girls compete in a minimum of six meets per season not including the state championships.
